1) Front Page:

The screenshot shows the front page of the Skyline flight booking website. The header features the Skyline logo (a blue circle with a white airplane icon) and the text "skyline." on the left, and "Sign in" and a "Sign up" button on the right. Below the header, there is a promotional banner with a sun icon and the text "NOW BOARDING · SPRING 2026 FARES". The main heading is "Fly somewhere *unforgettable.*" in a mix of bold black and blue italicized fonts. Below this, a paragraph describes the service: "Real-time fares from 500+ airlines, transparent pricing, and a checkout that actually feels good. No hidden fees. No fluff." There are two buttons: "Find flights →" in a dark rounded rectangle and "Check my bookings →" in a light rounded rectangle. The flight search form is located below these buttons. It has two tabs: "One way" (selected) and "Round trip". The form includes fields for "FROM" (DEL · New Delhi), "TO" (DXB · Dubai), "DEPART" (20-03-2026), "TRAVELERS" (1 Traveler), and "CLASS" (Economy). Each field has a dropdown arrow.
